

The Domino Sauce Chafer: The Smart people think it's cool, but it can be hot!

1A19401180 ●

The Domino Sauce Chafer is a 1.0 qt/ 1.05 ltr mini chafer designed for sauces, gravy or drawn butter. It includes a mini food pan (1A11216) & a fuel cup holder (1A11900). **Marble Base Included.**

Due to the small size, we suggest using a tea candle instead of canned fuel.

The Domino system connects like Legos, but is made of solid stainless steel. Mix it, match it, change it; build it high or keep it low. It is simply the most versatile, easy to use system ever made.
