

Be smart and get a Large SMART W Round Stainless Steel Chafing Dish.

1A15704 ●

While inheriting the legacy of our award winning SMART chafer, the **SMART W** series is designed for extreme high volume use. The **SMART W** Large Round Chafing Dish w/ Stainless Steel Lid includes the food pan. It's clad bottom allows for even distribution of heat & that means less food is wasted due to scorching or drying out. Each unit can be flush mounted and used with our induction or electric heat options. The self-closing lid helps to keep food warm. The water control system recycles the water from the lid's condensation back to the water pan. This equals less refilling of the water pan, reducing your labor costs. You can remove the lid with one hand for easy cleaning. The handle keeps cool thus preventing burns. The chafer is 100% repairable & replacement parts are available, making this a quality investment that will last for years to come. It has a capacity of 6.9 qt/6.5 ltr. Each unit has additional options available, which include removable base, detachable spoon holder, electric heater, induction warmer. **BASE NOT INCLUDED**
