

The Domino Rectangle Induction Phenolic Platform is SMART!

1ARECP

This component allows you to convert the Domino rectangle base into an induction platform. Perfect for our Smart induction chafer, paella pans or any induction style pots or pans. We've installed magnets that will hold an induction vessel in place. No more sliding pans or chafers on induction.

Low profile & a clean contemporary look. Just one more Smart adaptation of the Domino System. **DISHWASHER SAFE**

Platform ONLY. Heater & Stand SOLD SEPARATELY.

NOTE: This can be purchased as a set to include the black phenolic platform, induction warmer & the stand. **The complete set is sold as 1ARECPSET.**
