

The Domino Square Induction Phenolic Platform is SMART!

1ASQP ●

This component allows you to convert the Domino medium stand into an induction platform. Perfect for our Smart induction chafers, paella pans or any induction style pots or pans. We've installed magnets that will hold an induction vessel in place. No more sliding pans or chafers on induction.

Low profile & a clean look. Just one more Smart adaptation of the Domino System.

DISHWASHER SAFE

Platform ONLY. Heater & Stand SOLD SEPARATELY.

NOTE: This can be purchased as a set to include the phenolic platform, induction warmer & the stand. **The complete set is sold as 1ASQPSET**
