

**The cladded Domino Hot Station Stand: The Smart people think it's cool, but it can be hot!**

**1A19408CLDSET ●**

Domino is a completely new concept in modular buffet systems. The Domino Hot Station Stand holds 4.8 qt / 4.5 ltr and is heated by canned fuel. This version includes a cladded water pan, making it induction ready. All Domino components share legs so you can weave together pieces to build it your way.
