

## The Smart Coffee Urn Riser Adapter

### 1ACUR ●

The SMART Coffee Urn Riser lifts the induction warmer (1AIW110V2) in a coffee urn base to just the right height for keeping coffee at the perfect temperature.

#### COMPATIBILITY:

The induction coffee urn heater is most compatible with Smart Buffet Ware coffee urns. It can be used with models 1A16330CH and 1A16350CH. The riser is designed with an exact height that may not be suitable for competitors' coffee urns.
