

**DOMINO Phenolic Double Chafer & Biscuit Warmer Set includes Smart W model chafers.  
1A19469PR ●**

The DOMINO Phenolic Double Chafer & Biscuit Warmer Set includes a biscuit warmer, one square Smart W chafer, one large round Smart W chafer, and induction heaters for all. The items can be used as a complete display or individually. All DOMINO components can share legs so you can weave together pieces to build it your way. Additional components & pieces can be purchased separately.

**Going green made easy: When our induction warming system is combined with our chafers and urns, you only need 1.82 amps of power per chafer, soup or coffee urn. This makes our system the greenest in the world for heating your buffet, and enables you to run as many as ten induction warmers on a single 20 amp circuit. Having such a low power requirement will allow you to easily set up buffets in meeting rooms, or on the fly without fear of tripping breakers.**

**Induction for Dummies: Your staff turns it on and walks away.**
